

CHALLENGE

everything is new • 2012

What does our group need to bring to Challenge?

We are asking every youth group to help provide materials for both ministry in New Orleans during Challenge and also for our international project with **Love Moves**.

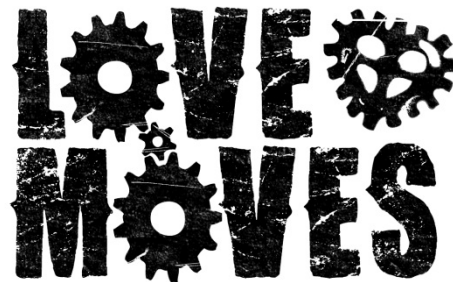

Each youth group for ministry projects in New Orleans:

- 1 case (24 bottles) of water to give away per group
- 1 pair of work gloves per student
- 1 box of extra large (45 gallon) trash bags per group for work projects
- 1 basketball or football (for New Orleans ministry)
- 1 deflated soccer ball with pump and needles (to be sent to Haiti)

Each person attending Challenge:

For our Love Moves international project we will be shipping a bus of education based care kits to Haiti. Each student should bring 1 set of the following kit contents to stuff the bus (a container will be provided on site for shipping):

- Toothbrush
- 2 bars soap
- Hand towel
- Toothpaste
- Wide tooth comb
- Band aids
- Pencils
- Pens
- Composition notebook
- Pencil sharpener
- Small scissors
- Flip flops-any size will do!

Offering Project for NOLA church planters.

As in the past, we will be taking an offering to help provide seed money for church planters in New Orleans. Not only do we have opportunity to work alongside the church planters during the week, but to bless them with much needed funds for ministry.
